

**REMARKS**

Claims 1-3 and 6-8 are currently pending. Please reconsider this application in view of the following remarks.

Claims 1-3 and 6-8 are provisionally rejected under the doctrine of obviousness-type double patenting over copending, commonly assigned application serial no. 11/388,450. Filed herewith is a terminal disclaimer of this application over the term of any patent that may grant upon application serial no. 11/388,450. Thus, all outstanding rejections are now overcome and all claims are in condition for allowance.

In view of the foregoing amendments and remarks, it is respectfully submitted that the application is in condition for allowance and applicants earnestly solicit early examination on the merits and issuance of a Notice of Allowance. Should the Examiner believe that any additional information or amendment is necessary to place the application in condition for allowance, he is urged to contact the undersigned Attorney via telephone at 484-356-1794 or facsimile number 610-644-8717.

The Commissioner is hereby authorized to charge any required fees due in connection with this submission, including petition and extension of time fees, and to credit any overpayment to Deposit Account No. 10-0750 (Docket No. DDI5016USNP/WJ) (Johnson & Johnson).

Respectfully submitted,

/Wayne Jaeschke, Jr/
